" SHOULD HUSBANDS BE WATCHED?"

Jimmy gets a raise so he hires a pretty maid. After a burglar scare, he takes the maid home. She invites him in but he resists the temptation. He finds his wife in the back of the car and as he starts off, she falls out. While he is trying to persuade her to get in again, a cop comes along thinking he is trying to pick her up. She proves he is her husband by walloping him in the jaw.
